# Why Sponsor?

Sponsoring the Annual Conference of the Virginia Chapter of the American Planning Association is an effective and engaging way to increase your visibility among the Chapter's more than 1,600 members. It opens the door to the Chapter's extensive professional networks which engage throughout the year from webinar attendance, social media interaction, section event engagement, and more! APA Virginia acknowledges the tremendous impact sponsorship has in enriching the Conference experience and supporting the good work of planners across the State. As a sponsor, you can take advantage of the following opportunities:

- Join 450-500 planning professionals, decision-makers, policy advocates, community leaders, and university students - the next generation of the planning field in Portsmouth at the Renaissance Portsmouth Norfolk Waterfront Hotel.
- Ensure that the Annual Conference provides a high-quality learning experience for all attendees
- Engage with other sponsors, companies, organizations and attendees during the Annual Conference
- Demonstrate to your target audience that your firm or agency is committed to APA Virginia and all that it offers to planning professionals
- Achieve high visibility for your brand with new and existing clients and potential planner recruits prior to and during the conference, and on social media
- Promote name recognition through unique visibility
- Share information about your firm directly with potential clients and planner recruits
- Sponsors investing \$1,000 or more will receive a conference attendee list for use in outreach and market research

Have a sponsorship idea that you don't see listed? Connect with APA Virginia staff to share partnership ideas. Sponsorships should be creative while supporting and promoting the efforts of the Chapter and our Partners' work.
